

Manufacturer's Certification Statement

American Recovery and Reinvestment Act of 2009

U.S. Energy Improvement Tax Credit

10% of cost up to \$300 for biomass stoves.

Note: This is a tax credit, not a deduction, so you get the full credit dollar amount deducted from your tax bill.

\$500 lifetime limit. Not eligible, if you have already received over \$500 in these tax credits from 2006-2010.

HOW TO CLAIM THE CREDIT:

1. Purchase qualifying Regency and Hampton Fireplace Products (see below for a list of qualifying products), and install them between January 1, 2011 and December 31, 2011.
2. Save your sales receipt showing the material costs of the qualifying products along with this certification statement for your tax records.
3. Claim the tax credit associated with your qualifying purchase on your Federal filing for the 2010 and/or 2011 tax year.

Fireplace Products International certifies that the biomass appliances listed below are "Eligible Building Envelope Components" that qualify for the tax credit allowed under Section 25C of the Internal Revenue Code.
